Agreement Between Residents and Housing Services

All residents of University-owned housing are required to sign leases called rental agreements. In signing this rental agreement, you the resident, have agreed to be responsible for any damage or breakage occurring in your apartment due to accident or negligence, and to maintain your apartment in a clean and orderly condition. The resident will care for the property and leave the property in the same condition and state of repair as when the resident first inhabited the premises, reasonable wear and tear excepted.

The assignment and lease of premises from Housing Services does not include the right to use such premises for any business or professional purposes, for storage of commodities for sale, or for any purpose other than personal residence.

Rental charges begin on the date the keys are issued. Failure to vacate by the ending date of the contract, or the termination date agreed upon by the resident in case of cancellation of the contract, will result in the apartment overnight rate of \$25.00 per night being charged through or until eviction, and denial of further housing assignments. Residents leaving the campus for an extended period are responsible for paying their rent throughout the period of absence.

The \$150.00 deposit required with each application for housing is a damage/security deposit and is not applicable as part of the rent. Housing Services agrees to refund the \$150.00 damage/security deposit to the resident at the completion of the agreement, provided no damage or cleaning charges are assessed, and no other amounts are due to the University. The damage/security deposit will be forfeited if this rental agreement is cancelled or terminated prior to occupancy.

Undergraduate students must be enrolled for ten or more hours. Graduate students not on appointment as a teaching, research, or staff assistant must comply with the Graduate School minimum enrollment policy as outlined in the Graduate Bulletin.

First priority for Family/Graduate Housing is given to all qualified student applicants. Second priority will be given on a space available basis to newly appointed faculty and staff. Military personnel on duty at Washington State University will be considered eligible either as faculty or staff. Faculty and staff renewals will be considered only if student demand is met. The Director of Housing Services may grant exceptions to these policies.

Occupancy of a shared graduate apartment is limited to two graduate students of the same gender. Guests staying longer than five days are defined as being in residence. Residents are required to request approval from Housing Services for any guest who will stay longer than five days. The rental agreement must be renewed each spring in order for the resident to occupy any Family/Graduate Housing unit during the coming fall semester. The resident also agrees to vacate his/her apartment by June 30, 2009. Failure to vacate by June 30, 2009 will result in the overnight rate being charged until the resident vacates the apartment.

Housing Services reserves the right to deny future housing assignments to residents with a history of more than one delinquency letter, or more than one notice to vacate, or cleaning and damage charges in excess of \$200, or other factors that are indicative of poor credit history.
